**LITTLE FLOWER CHILDREN AND FAMILY SERVICES OF NEW YORK**

## **Essentials for Education Back-to-School Supply Drive**

Help equip our youth for another school year! School supplies are required tools for learning and providing and replenishing supplies throughout the year to our over 600 kids in care will allow them to focus in the classroom and at home.

Being prepared allows for positive school experiences which enhance children's overall well-being, helping them make positive transitions to adulthood and increasing their chances for personal fulfillment and economic self-sufficiency. Your support of the Back-to-School Supply Drive will help guide our youth to the path toward positive future outcomes.

### Cheers to our Staff!

Earlier this month staff from all locations and departments came together at Aviator Sports and Event Center to enjoy a day celebrating their dedication, hard work, and comradery. With an agency as spread out as Little Flower, it's always wonderful to meet and spend time with colleagues as well as share in the great work being done for the families, children and adults with developmental disabilities in our care!

### Back to School with MattressFirm
