LITTLE FLOWER CHILDREN AND FAMILY SERVICES OF NEW YORK

Embarking on a New Journey

Staff across the organization are readying themselves to say goodbye to Grace Calderone, a longtime leader at Little Flower. She began her journey with Little Flower in 1973 as a caseworker in the Adoption department. During her 35 years at Little Flower, she was promoted six times, worked in all four sites, and sat in at least 15 different offices (including a trailer!). Grace has touched the lives of so many children and families as well as her colleagues. Any time her name is mentioned around our offices someone is quick to share a story about how she helped through a difficult situation, shared a quote with the team to keep them motivated or provided a listening ear and a reminder to keep their sense of humor. Grace has been an integral part of shaping Little Flower and will truly be missed. We wish her the best of luck in her retirement!

College Acceptance Day

In the City, youth commemorated the end of their high school career at a College Acceptance Day event, enjoying raffles, games and "yearbook" photos. In a show of camaraderie, peers, staff and families wore their school colors and shirts and sweaters. We're very proud of our youth for reaching this milestone and wish them the best of luck on this new journey!

RTC Spring Formal

Youth on the Wading River campus celebrated the end of a school year and accomplishments at their Spring Formal. In addition to dancing and good food, both youth and staff were recognized for their achievements through the Earl Goodman Awards ceremony. Congratulations to the winners and to our youth for another successful school year!
