LITTLE FLOWER CHILDREN AND FAMILY SERVICES OF NEW YORK

Casino Night - May 2nd, Manhattan

On Thursday, May 2nd, friends new and old will come together for a **Casino Night** to raise money for the children, adults, and families served by Little Flower.

Some tickets are still available. [Please join us by taking a ticket or sponsorship or by making a donation!](#)

The event is a partnership with **Fluent**, a performance marketing company, which has sponsored Little Flower foster youth by providing business workshops, mock interviews, and paid summer internships through **The Emergence Project (TEP)**.

Mohit Singla, Chairman of Fluent Philanthropy, is spearheading this new public/private fundraising initiative. He describes Little Flower's work as "crucial to empowering our future. Innovative programs like The Emergence Project help fuel change, while also allowing the business community to be actively involved and giving back."

NYC Flagship Grand Opening

Little Flower celebrated the move into its NYC Flagship office with a Grand Opening and Ribbon Cutting ceremony on April 11th.

To help welcome us to the neighborhood, we were joined by Assembly members Maritza Davila and Joe Lentol, Administration of Children's Services First Deputy Commissioner Eric Brettschneider and Deputy Commissioner Julie Farber, and peers from the Council of Family and Child Caring Agencies (COFCCA), Collaborative for Children and Families (CCF) and other partner organizations, donors, families, friends and the community.

"This is an exciting time for Little Flower. The Flagship site will provide opportunities and benefits to all of our staff, children, and families and the community overall," remarked Chief Executive Officer, Corinne Hammons. "Our new urban campus offers an open, collaborative space allowing for a better work environment as well as a welcoming and child-focused waiting room and visiting rooms. As we settle in we look forward to furthering our vision of supporting those who rely on us as they transition to their best self."
