Back to School

Help equip our youth for another school year! Being prepared allows for positive school experiences which enhance children's overall well-being, helping them make positive transitions to adulthood and increasing their chances for personal fulfillment and economic self-sufficiency.

School supplies are required tools for learning and providing and replenishing supplies throughout the year to our over 500 kids in care will allow them to focus in the classroom and at home.

Your support of the Back-to-School Supply Drive will help guide our youth to the path toward positive future outcomes!

And, don't forget that when you shop through AmazonSmile, by selecting Little Flower as your charity of choice Amazon will donate to Little Flower!
Back to school shopping? Amazon will do double duty by donating to Little Flower when you shop using AmazonSmile!
