

Congratulations Graduates

Youth in the [Residential Treatment Center](#) achieved a milestone this week that they share with their peers, regardless of ability -- graduation. Unlike many of their peers, they have faced more hurdles that make the road to graduation seem like a long and unreachable goal.

But they have persevered and proven that they can beat the odds and succeed!

This was the case for Michael G., of the [Inner Lights program](#) in the RTC. He graduated with "High Honor Roll" with a GPA between 90-100%. Not only did he excel in his academics but also in his on-campus internship with the agency's IT department.

He began two years ago with no work or IT experience but after absorbing the technical knowledge he proved to be reliable and responsible and a great communicator, which came in handy when helping staff with their computer problems. Michael now has an arsenal of skills and experience that he can take with him toward what is sure to be a bright future as well as a new family in the IT department!

Congratulations to Little Flower's Class of 2019!

St. John's Day

St. John's Residence for Boys held its 45th Annual St. John's Day on Friday, June 21st to celebrate the achievements of the young men and to just have fun with family and friends. Despite a gloomy and rainy start, everyone had a great time.

Neighbor Daniel Ruscillo, Officers Martini and Mercado, and staff manned the grill throughout the day and members of the House on the Rock Church opened the day with a blessing. The little ones were treated to balloons and face paintings by Madeline Enlow of Intuition Body Art & Entertainment.

Mr. Ruscillo presented one of our graduates, Tyquane with a plaque and t-shirt in recognition of his accomplishments.

Corinne Hammons, CEO and Jennifer Horsley, Interim Executive Director, presented Mr. Ruscillo with an award for his contributions to our youth and his commitment to the community.

St. John's is also proud to announce that they have officially launched their [Facebook page](#)! Stop by and [like](#) and [follow St. John's](#) and stay up to date.
