Little Flower Honorees Shine at Annual Golf Classic

Over 100 people gathered for a day of golf and a moving awards program. It truly was an honor to recognize such enthusiastic and generous individuals like Jason, Mya, and Stephen; their energy was felt throughout the day!
The outing was sponsored in part by Elite Glass; BNB Bank; Affinity Building Solutions; Feed Your Soul; Alliant Employee Benefits; Atlantic Tomorrow’s Office; Boris Benic & Associates; Cook Maran; Executive Cleaning Services; and Swezey Fuel.

Guests heard from Inyce, a recent graduate of Little Flower’s Emergence Project. Her experience in the program offered her the opportunity to ask as many questions as she wanted. “I felt powerful...I built up the courage to speak up and people listened to what I had to say. I felt like I belonged, and I had a right to be there”.

Due to the efforts of our honorees and our all-star committee, led by co-chairs, Howard Nolan and Frank Tosto, we were able to raise over $230,000!

Thanks to our amazing honorees, golf committee, donors, friends, volunteers and staff for making it a truly remarkable day.

Thank You Senator Monica R. Martinez

We were proud to welcome and host Senator Monica R. Martinez to our Msgr. Fagan campus where she took part in a tour of the grounds and facilities and spent some one-on-one time with our young residents.

She even surprised a few of them with a basketball game!

We thank the Senator for taking the time to get to know our kids and staff and look forward to a future visit.
