King Kullen Joins Little Flower's Fight Against Child Abuse

We have exciting news to share! The King Kullen supermarket chain is partnering with Little Flower in a fundraising campaign across all 31 Long Island locations throughout April, in recognition of Child Abuse Prevention Month.

King Kullen, a beloved Long Island institution since 1930, has been serving local communities for more than 90 years. Their commitment to community support continues with this initiative to help Little Flower protect children.

During April, King Kullen cashiers will be inviting customers to donate \$5, \$3, or \$1 to Little Flower to support our child abuse prevention efforts. This partnership will help raise both awareness and critical funds for our programs while reaching thousands of shoppers across Nassau and Suffolk counties.

A special thank you to King Kullen for their dedication to community support and for helping Little Flower protect children across Long Island. Next time you shop at King Kullen, please consider making a donation to this important cause!

RTC Youth Enjoy Cooking Class

Youth at the RTC always have a blast at their cooking classes with Little Flower's Jennifer Nadeau. The culinary arts program provides them with invaluable, real-world experience in an professional kitchen setting. Through

this program, participants not only gain employable skills but also develop essential capabilities for independent living!

Help Make Prom Magical for Our Youth!

Prom season is almost here! Will you help us give our Little Flower Youth a magical night by donating accessories to make their outfits complete?

The RTC youth will have the opportunity to select dresses and suits from a Prom Boutique at the end of April. This event is generously hosted by the Nassau County Police Department and several of its fraternal organizations – the Nassau County Police Hispanic Society, the Nassau County Guardians Association, the Nassau County Association of Women Police and NCPD Pride.

Once the youth have their evening attire picked out, they still need a few things to round out their looks. **We are seeking donations of shoes, evening bags, jewelry, and hair accessories.**

We are also looking for volunteers to donate their hair and makeup skills to make sure everyone shines! And if there are any tailors out there, we could use some hemming assistance to ensure a good fit.

For more information, please reach out to Development Manager Andrea Borra at borraa@ifchild.org or 631-929-6200 (press option 3 when prompted).
