

Legislator Donates to Little Flower

Suffolk County Legislator Chad Lennon recently paid a visit to the Little Flower Residential Treatment Center to donate boxes of toys for our children and youth. This is the second year Legislator Lennon has been so generous to us. We are grateful to the representatives who partner with us to transform caring into action!

On behalf of Little Flower, we cordially invite you to our annual fundraising event—an extraordinary celebration where compassion meets action.

Join us in an atmosphere of warmth and inspiration as you enjoy handcrafted cocktails and gourmet hors d'oeuvres. The evening will feature enchanting live musical performances and a special showcase by a talented young artist. Our exclusive silent and live auctions offer unique opportunities to make a lasting impact on the lives we serve.

This year, we are privileged to celebrate Julie and Craig O'Neill, whose remarkable 25-year journey with Little Flower began with a single gift in 1998. Their unwavering commitment to our children, youth, and families exemplifies the very essence of our mission. Their story is not just about philanthropy – it's about building a legacy of love and transformation that continues to shape countless lives.
