

## Little Flower Youth Celebrate Prom!

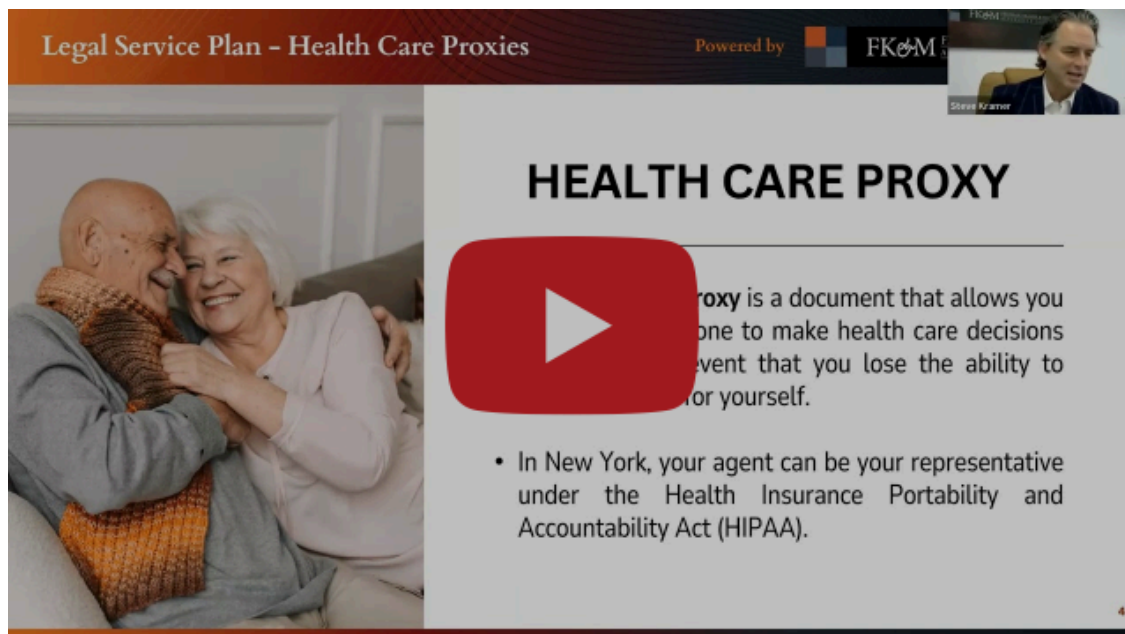

Prom night at Little Flower's Residential Treatment Center (RTC) was one our youth will never forget! The evening was full of dancing and laughter, complete with a fun photo booth and senior superlative shoutouts. Attendees had a blast dressing up for the theme: Enchanted Fairy Tale. Our thanks go out to the Nassau County Police Department, who hosted a free pre-prom boutique so that every youth got the chance to shine.

We'd also like to thank Elise Ryan and her daughters for donating their photography services to the event. And we are grateful to our volunteer glam team: Kensie, Aviah, Adriannah, Samantha, Felicia, Courtney, and Kayleigh. Thank you all for lending a hand (and some amazing hair and makeup skills!)

# Little Flower Hosts Estate Planning Seminar

The screenshot shows a presentation slide with a dark red header. The header text reads "Legal Service Plan - Health Care Proxies" on the left and "Powered by FKOM" on the right. A small video inset in the top right corner shows a man, Steve Kramer, speaking. The main content area has a light grey background. On the left is a photograph of an elderly couple embracing. To the right of the photo is a large red play button icon. The text on the slide reads: "HEALTH CARE PROXY" in large bold letters, followed by a definition: "A proxy is a document that allows you to have someone to make health care decisions on your behalf in the event that you lose the ability to make decisions for yourself." Below this is a bullet point: "• In New York, your agent can be your representative under the Health Insurance Portability and Accountability Act (HIPAA)." A small number "4" is visible in the bottom right corner of the slide.

This month, Little Flower partnered with the law offices of Feldman, Kramer, and Monaco to host an estate planning seminar. The free seminar provided attendees with a wealth of valuable information for those interested in protecting their assets for themselves and their loved ones. We are so grateful to Steve Kramer, and everyone at Feldman, Kramer, and Monaco, for offering our community this valuable learning opportunity.

In case you missed it (or attended and need a refresher), feel free to click the video above!

### **Ticket to Dream Donates Squishmallow Toys**

A frenzy of fluff has taken over Little Flower following the shipment of 184 squishmallows to the Wading River Campus.

We are so grateful to Ticket to Dream for this generous donation. Thank you for all the snuggles!

## Little Flower Alumnus Graduates Cum Laude

Little Flower alumnus Anas Alami has recently graduated cum laude from St. Bonaventure University with a degree in Business management. He was also selected as the student speaker at St. Bonaventure's commencement ceremony.

"Never in my life did I think I'd be standing at a podium talking about doors, let alone giving a college graduation speech," Anas said. "Don't ever worry if one door closes. Another will open. And when someone holds a door for you, know that it is okay to have help."
